Cookies Policy

Last Updated: December 11, 2025

Overview

This Cookies Policy outlines how GDG Sheridan uses cookies to support functionality, improve performance, and enhance user experience across our website. By continuing to browse the site, you acknowledge your understanding of this policy.

What Are Cookies?

Cookies are small text files placed on your device by websites you visit. They help websites function properly, enable enhanced features, and provide insights into user activity. While cookies generally do not include personal data, any personal information we store may be linked with cookie-based data. Sensitive information such as mailing addresses or passwords is never stored in cookies.

Types of Cookies We Use

1. Necessary / Essential Cookies

Type: Session
Administered by: GDG Sheridan
These cookies are required for core website operations, authentication, and fraud prevention. Certain features cannot be provided without these cookies.

2. Functionality Cookies

Type: Persistent
Administered by: GDG Sheridan
These cookies remember user preferences such as login details and language settings to

deliver a more personalized experience.

Managing Cookies

You may disable cookies by modifying your browser settings; however, doing so may limit your experience on our website or cause certain features to function improperly.
